

DURHAM LITERACY CENTER

Service Description

ESOL AmeriCorps Member

DESCRIPTION

This full-time position assists with management and administration of the English for Speakers of Other Languages (ESOL) program. The job combines organizational, tutoring duties with people-centered, communicative activities; this is a wonderful opportunity to work closely with Durham's immigrant community, to practice Spanish, and to develop both project management and ESOL teaching skills. Successful applicants will have a strong interest in literacy, education, and language; will enjoy the creative challenge of collaborating with people from diverse backgrounds; will work independently and meet deadlines; and will contribute innovative ideas to an evolving program and team. The ideal candidate will thrive in both the office and the school environment.

Since ESOL classes meet at various locations and times across Durham, the AmeriCorps Member must have their own transportation and must be able to work a flexible schedule which includes regular daytime and evening hours and occasional weekend hours. Spanish proficiency is strongly desired but not absolutely essential.

FUNCTIONS

The ESOL AmeriCorps member supports:

- recruitment, training, and management of tutors and volunteers
- enrollment, assessment, and tracking of students
